EZ Child ID software is copyrighted and the EZ Child ID system is a registered trademark. EZ Child ID Software does not make any claims that their EZ Child ID software will work with every computer system. EZ Child ID produces the best EZ Child ID Kit. This software was designed in cooperation with the Masons and the Michigan Masonic Lodge. Currently EZ Child ID is being used by the Georgia Masons CHIP program, Maryland CHIP, Ontario Masonichip, Kansas Masons CHIP program, Maine Masons CHIP program, Michigan Masons CHIP program, Nebraska Masons CHIP program, New York Masons CHIP program, South Dakota Masons and Oklahoma Masons CHIP program, as well as a multitude of police departments. The EZ Child ID system has identified well over 100,000 children. This easy-to-use ID software has been written in accordance with the Amber Alert System. EZ Child ID believes that this is the easiest to use and most affordable ID software package on the market. Many of the events where the EZ Child ID Kits are used are free. We encourage anyone who has an interest in child or senior identification to try the EZ Child ID software program.
